## Gazebo

Ogni kit è completo di:

- pareti modulari di pino rifinite in Eucalipto sudafricano trattato in autoclave per esterno, piano di mescita
- struttura in ferro zincata a caldo con trattamento anticorrosione
- staffe di supporto per il fissaggio della struttura ai moduli di eucalipto
- moduli di copertura in tegole

Opzionale (v. p. 170-171): pennacchio, abbaino, chiusura serale, pedana, piani collassabili, piani portabicchieri

Each kit is formed by:

- modular pine wall, south african eucalyptus finishing, autoclave treated for outdoor use, wine shelf
- hot zinc-plated frame with anti-corrosion treatment
- supporting clamps for modules hooking
- covering modules in tiles

Optional (see p. 170-171): plume, dormer window, closing window, platform, closable shelf, glassholder shelf
